**About the Conference:**

The ICFAI University, Jharkhand is organizing the first Doctoral Conference on **9<sup>th</sup> March 2017**, at the University Campus at Ranchi. The objective is to facilitate Quality Research in Management by way of providing inputs to the Researchers on latest Trends in Management Research. Besides, it offers a Networking Platform for Researchers (both budding and experienced), both Full-time and Part-time Scholars, to share their thoughts and experiences for mutual benefit.

**Objective:**

The Doctoral conference is expected:

- To provide a platform for sharing the research ideas on an international level.
- To provide a platform to meet domain experts to discuss research ideas, methodologies and career issues
- To provide a platform for scholars to make informal networks with their peers from other institutions.

## Call for Papers

There will be three tracks in the 1<sup>st</sup> Doctoral Thesis Conference.

- **Track 1: Research Design Presentation** - Papers are invited from the scholars who have registered for PhD in Management or allied disciplines in any University. They are expected to present their Research Proposals that were approved by the respective Universities. Participants in this track are requested to follow the following structure for paper submission: Introduction to the topic, findings from the preliminary literature survey, Research gaps identified, Objectives, Hypotheses formulated, if, Proposed Methodology, Expected contribution to the domain of Management and bibliography.
- **Track 2: Advanced Research Paper Presentation** – This track is for PhD scholars who are in their advanced stages of research, which includes pre-thesis submission, waiting for Viva Voce etc. Besides the items mentioned previously; they may include results of research and interpretation of results.
- **Track 3: Latest Trends in Management Research**– This track is for the experienced researchers, including Ph. D. Supervisors/guides. They can present latest trends in research in the domain / area of their research interest. They can also present their own PhD theses, approved by the respective Universities, along with areas for further research. They could also present their research journey as case studies (on the basis of their own research and research guided by them) and their learning's (like Do's and Don'ts), which could be guidelines for research scholars.
- Panel discussion: will be held on Challenges faced by Scholars in pursuing PhD program as well as challenges faced by Supervisors and Guides in guiding the Scholars.
- Awards of recognition will be given to few selected paper presenters.
- Certificates will be issued to the paper presenters and the participants.
