ICFAI varsity alumni motivate students on J'khand campus

ICFAI University Jharkhand (IUJ) organised a function for its ex-graduates, who came to their alma mater to share their memories and experiences, on the campus on January 22.

Alumni from various industries and locations attended the function. Alumni of the university are currently working in major positions in reputed companies like HDFC Bank, SBI Caps, Aker tex, Birla, Pepsico, Vodafone, Idea Cellular, Videocon and Nalco in TVS. Some have set up their own businesses.

Chief guest Hariram, who is the chief editor of a vernacular daily, exhorted the students to work for character building, which he felt will lead them towards a meaningful life.

Prof. Gaurav, VC of IUJ, expressed his happiness that the alumni have done well in various fields in their careers due to dedication and hard work.

The alumni expressed their gratitude to their varsity for laying a strong foundation for their careers. Some of them mentioned that soft skills training imparted by IUJ helped in holistic development of their personality. Some recalled how summer internship programmes in industry helped them in acquire hands-on skills.

All of them appreciated the efforts put in by the university in campus placements.

Recalling days at the university, Manish Kumar, portfolio manager, Dr. Veelsh, said, "I was fortunate to have passed from here. The university groomed us professionally through classroom teaching and practical exposure."
