ICFAI UNIVERSITY, JHARKHAND CONDUCTS SEMINAR ON GREEN TECHNOLOGY

Ranchi, Nov 02, 2011.

ICFAI University, Jharkhand (IUJ) today organized a seminar on “Green Technology - Applications and Management” at its Faculty of Science and Technology (FST) Campus, situated at Panchwati Towers, Harmu Road, Ranchi.

Inaugurating the seminar, Prof A A Khan, Vice Chancellor, Ranchi University emphasized that we should consider recycling of pollutants and plastic waste leveraging Green Technology.

Explaining the genesis of Green Technology, Prof O.R.S. Rao, Vice- Chancellor of the University, highlighted that it is essential for sustainable development of the country, by meeting current requirements without compromising the ability of our future generations to meet their needs. He also narrated how Green Technology can be applied to address the Environmental challenges faced by India in areas like Agriculture, Natural Resource Depletion and Public Health.

Concluding the first session which was conducted by Dr (Mrs) Priya Srivastav, Dr G.G.Sarkar, Associate Dean of Faculty of Science & Technology advocated for use of Green Technology in every sphere of technological development. He also intimated that this seminar is to some extent directed towards spreading social awareness in that direction.

Prof A A Khan released the inaugural issue of “Quest for Technology”, a bi-annual house magazine on Technology, edited by Sanjay Chatterjee and published by ICFAI University, Jharkhand. Prof Khan also gave away prizes to the University students that won the quiz contest on Environmental awareness organized by Dr Soumn Mukherjee.

Subsequently, Faculty Members, Researchers and other Working Professionals from reputed organizations like MECON, BIT, Mesra, Ranchi University and ICFAI University, Jharkhand etc. have presented papers in areas like Global Warming and its effects, Appropriate Technology for Rural development, Wastewater Treatment Technologies, Green Technology and Spintronics and Green Technology for future generations. Dr K K Nag, Senior Academic Advisor, FEDUNI chaired a panel discussion on Issues and Challenges in implanting Green Technology.

Brig S K Deb (Registrar), proposing Vote of Thanks, explained that the objective of the seminar was to bring awareness on Green Technology, its applications and management so that its power can be harnessed effectively.

Dr B M Singh, Dean, FMS, other Dignitaries, Invitees, Officials, faculty members of different educational institutes, Research Scholar and students participated in the seminar.

About the ICFAI University Jharkhand:
The ICFAI University, Jharkhand (IUJ) belongs to the ICFAI University Group (IUG), which pioneered Higher Education in India.
