ICFAI University employees distribute Bhojan Paatra Food Kits to needy

MI NEWS SERVICE

RANCHI: Through the voluntary donations from the employees of IUI, “Bhojan Paatra” Distribution scheme was launched by ICFAI University, Jharkhand. As a part of the scheme, Aahar Kits of essential food items like Rice, Dal, Oil, Sugar, Salt, Imli, Haldi, Masala etc are packed and are distributed to the poor families in six villages surrounding the University campus in Daladali, after taking permission from the Police Authorities.

During the last two days, “Bhojan Paatra” kits were distributed by the University Volunteers in 15 villages of Ranchi district. In order to adhere to the guidelines with regard to social distancing, the University staff traveled to the villages and distributed the Bhojan Paatra kits in small groups of less than 10 people. If any villager, due to old age, was not able to carry the kit, the University volunteers carried them to their houses. The University volunteers included Prof Arvind Kumar, Registrar and Senior

Faculty members, Prof Sumit Sinha, Prof Mithlesh Mishra, Dr Vishal Kumar and Dr Dilip Kumar.

Jharkhand Government officials and the Police Officials helped in identifying the needy beneficiaries and extended support in orderly distribution of the Food Kits. Some of the beneficiaries were migrant workers and street side vendors and did not have ration cards and were unable to avail of the facility of ration items supply by Government.

Besides the “Bhojan Paatra” food kit, face masks were also donated to the villagers and briefing was given on precautions to be taken to

avoid spreading of COVID-19. Senior Government officials, Sri Rajesh Mishra - CEO, Mr Avinashor Purnendu, BDO and Smt Pratibha Jha, Food and Drug Inspector, who were present on the occasion, appreciated the efforts of the University to support the poor people in the current crisis situation.

Commenting on “Bhojan Paatra” initiative, Prof O R S Rao, Vice-Chancellor of the University said, “Each Food Kit can take care of the food requirements of a couple for about 10 days. Though it is a small gesture on the part of our employees, it goes a long way to mitigate the hunger of the poor people”.
