SWAADHYAY is a Self-Study Digital Learning Portal, developed by the ICFAI University, Jharkhand, to facilitate its students to learn by self-study, at any time, from anywhere. During the Lock-Down of Jharkhand State, it enables its students to continue their studies, without any interruption.

Digital Content for SWAADHYAY was developed by the faculty members of the ICFAI University, Jharkhand as per the curricula of its programs.

The Digital Content in SWAADHYAY consists of PPTs, Bullet Notes, Case Studies, Video Links, assignments etc. After studying the course material on the portal, students are required to take an online Quiz so that they get feedback on their learning.

Course Material in SWAADHYAY can be accessed by the registered IUJ students, using Desk Top, Lap Top or Smart Phone, using User ID and Password. After studying the course material uploaded during a week, students are required to undergo an online quiz/ test to get feedback on their self-learning. Assignments are also posted on the portal, which need to done by the students and posted on the portal.

Swaadhyay thanks all the Faculty Members of ICFAI University, Jharkhand for enriching it, with 2,000+ Digital Educational Items

Interactive Video Classes

- The University also arranged Interactive classes through Video Conferencing, with a time table
- Students were expected to go thru the study material in advance and then attend the classes
- Some students faced difficulty due to internet bandwidth problems, data storage problems
- All the Video- sessions were recorded & uploaded on Swaadhyay
- Students liked it as they could access the video lectures again & again at their convenience.
- On-line MCQ tests were conducted & feedback given immediately
- Screen shots of online classes posted on FB pages to motivate them
- ✓ Students were more actively engaged in studies, but in a different format. Took time but got adjusted to it quickly
