Corporate Talk on 'Corporate Governance' held at ICFAI University

Today, the ICFAI University Jharkhand organized a Corporate Lecture on "Corporate Governance". The Key Speaker was Mr. Joydeep Mookerjee, Chief Finance Officer, Vision BA Lab, Kolkata, a subsidiary unit of Devoteur International S.A., a French Multi National Company dealing with Opticalcare Optics. All the faculty members and final year students of MBA, BBA and B.Com. actively participated in the program.

Welcoming the participants in the first Corporate Talk, Prof. H.R.S. Rao, Vice Chancellor of the University said, "Good Corporate Governance is critical for short term sustenance and long term growth of organizations. All of us have seen real-life examples of how companies with poor corporate governance collapsed, whereas those with good governance performed well even during COVID-19 times. "As it is the honesty and integrity of the individual Managers that make the difference, it is important that every one of the students imbibe these qualities", Prof Rao added.

Explaining the fundamentals of Corporate Governance, Mr. Joydeep Mookerjee said, "Corporate Governance is the structure of rules, practices, and processes used to direct and manage a company. Good corporate governance helps companies build trust with investors and the community." He highlighted the importance of Corporate Governance giving examples of how poor governance can lead to destruction of the value of the stakeholders of firms and Satyam Computers. "While Accountability, Transparency, Responsibility and fairness are the pillars of Corporate Governance, Core Values of Honesty and Integrity of the Senior Managers are important to deliver good governance.", said Mr Mookerjee.

The Corporate Talk was coordinated by Dr Mugdha Barik, Assistant Dean and Prof. Sunil Kumar Sinha, Faculty-in-charge, Corporate Relations under the guidance of Dr. Prof. Arvind Kumar, Registrar of the University.

Murthy, Associate Professor & Registrar, both from National University for Studies and Research in Law (NUSRL), Ranchi chaired the technical sessions, research Papers were presented by researchers, practitioners and students from reputed institutions like National Law Universities, IIT Kharagpur etc.

Welcoming the participants Prof. H.R.S. Rao, Vice Chancellor of the University said, "In ancient India, Knowledge, the output of human intellect was shared freely through generations ... from Guru to Sishya ... for public good. However, in the recent times, as knowledge became a major source of wealth creation, right to that knowledge that is Copyright ... has been taking a centre stage, to encourage the creators of the new knowledge ... "As the world is increasingly becoming more digital, Copyright protection should keep pace with technology ... at the same time ... balancing the interests of creators/owners and the public users, the educational institutions".

Explaining the basic tenets of Copyright, which include originality, tangible expression of idea and commercial implications, Dr. A.S.N. Rao emphasized the importance of Moral Rights versus Economic Rights of the authors by giving examples. Dr. Venkat Reddy narrated the significance of Fair Use Doctrine under Copyright Act, referring to the Delhi High Court Judgement in the case of University of Oxford vs. Rameshwari Photocopy services wherein the Court held that Copyright is not a divine right and, is intended to increase the harvest of knowledge, not to impede it. Referring to the advent of Online Education in the wake of COVID-19 Pandemic, Shri Prashant Kumar Singh explained how the Judiciary fully supported use of copyrighted educational content "in course of education". Shri Hemant Khanda, explained the role of technology and cited examples in the copyright regime and how digital content can be protected by the authors using Triple Protection Mechanism. He also explained various initiatives, taken by Govt. of India, to keep pace with developments in Digital technology.

Out of over 30 papers that were received, four papers were presented by the authors through online mode. Speaking during the valedictory session, Dr. B.S.
