MORNING INDIA (RANCHI), 24 JULY 2020

ICFAI University launches SWAADHAY-II to provide better quality of Digital Education

Out-comes based education, More Interesting Classes and Virtual Labs are the special features

Today, ICFAI University, Jharkhand launched S w a a d h y a y - I I, advanced version of its Digital Education Platform, which provides outcomes-based education and makes online classes more interesting to the students by using a number of Digital Education Tools, like Polling, Quiz Programs, Group Discussions etc.
Prof O R S Rao, Vice-Chancellor, ICFAI University, Jharkhand, announced it

today, while speaking at an EduLeaders Virtual Summit - 2020 organised by International Chamber for Service Industry. Addressing the international webinar, Prof Rao shared the experience of ICFAI University, Jharkhand in launching Digital Education Delivery Platform, Swaadhyay, within 10 days of announcement of lock-down due to COVID-19 pandemic. Explaining how the University addressed the challenges faced by the stu-

dents Prof Rao said, "As soon as the lock-down was declared, our University realised that the twin concerns faced by the students are continuity of education and uncertainty with regard to their careers. Launch of Swaadhyay addressed both the concerns. Evaluation of final year students was completed and their results were declared by 30th June 2020. End semester examinations are underway for the rest of the students and their results

will be released in early Aug 2020." "Classes for current students will commence in 2nd week of Aug 2020 and for the newly admitted students in early Sep 2020. Academic delivery for first semester of 2020-21 will be provided using Swaadhyay-II, which is a flipped classroom model, which incorporates Outcomes-based Education. Besides, online classes will be conducted using latest digital educational tools like Quizizz, Mentimeter, Testmoz, Sreencastify etc. It will make the classes more interesting and lively. Our faculty members were already trained on these specialised tools", added Prof Rao. "Students of BTech, DIT (Polytechnic), BCA and MCA will conduct laboratory experiments using Virtual Labs from IIT,Delhi", elaborated Prof Rao. More details on the ICFAI University Jharkhand can be found by visiting its website. at www.iuj harkhand. edu.in or its Face Book page at www.facebook.

PIONEER (RANCHI), 24 JULY 2020
