

## Achievements of our students

Dr Rumna Bhattacharyya, Professor of ICFAI University Jharkhand participated in the two-day Synergy Summit held at the India International Centre on "A Paradigm Shift in Foundational Literacy and Numeracy: Making India Literate in Months, not Years".

Dr. Subrato Kumar Dey, Associate Professor, ICFAI University Jharkhand invited as Chief Guest and Keynote Speaker in SDG Summit 2022 India International on Quality Education.

Congratulations Sir to you on your special achievement from ICFAI Family

**A working model of Electrical Vehicle was developed by BTECH students of ICFAI University Jharkhand under the guidance of Dr Rajesh Prasad and Prof. Manohar Singh ,Faculty of the University**

**Congrats to Mr. Akash Kumar Singh, Mr. Prakash Kumar and Mr. Ravi Kumar ,who designed and developed a “Working Model of battery-operated Electric Vehicle”. It is an interdisciplinary and challenging project, involving Mechanical, Electronics and Computer Science.**
