Press Release

Good job opportunities in Mining and Mechanical for Polytechnic and BTech students

Dhanbad, July 13, 2016

ICFAI University Jharkhand today conducted Career Counseling session for students in and around Dhanbad. Addressing the students, Prof ORS Rao, Vice Chancellor of the University said, “Mining sector offers excellent job opportunities for Polytechnic Diploma and BTech graduates in the next 3-4 years. A lot of jobs will be created due to the recent policy initiatives taken by Government of India and Jharkhand, giving more mining licenses in Coal and Minerals”. “Make-in-India initiative of the Government will create a number of jobs in Production for Polytechnic and BTech graduates in Mechanical Engineering”, added Prof Rao. “With latest curriculum, coupled with industry internship, our University makes the students employable in the industry”, opined Prof Rao.

“As 16th July 2016 is the last date for admissions, we have been conducting career counseling seminars in various locations in Jharkhand to build awareness among the students”, said Dr. Sudipto Majumdar, a senior faculty member of the University. The session was attended by a number of students, parents and University officials who included Mr Shailesh Kumar Singh.

About the ICFAI University Jharkhand: The ICFAI University, Jharkhand (IUJ) belongs to the ICFAI University Group (IUG), which pioneered Professional Education in India. IUJ was established under ICFAI University Act, 2006 (Jharkhand Act 08, 2007), which was passed by the State Legislature of Jharkhand and was notified by Government of Jharkhand on 17th June 2008. The University was empowered by UGC vide its letter dated 1st Dec2009 to award degrees under Section 22 of UGC Act, 1956. IUJ is committed to grooming its students into Competent Professionals, with Good Personal Values and Ethics.

IUJ offers a range of vocation oriented Under Graduate and Post Graduate programmes, which include, MBA, B Tech, BTech (Lateral entry) BBA , BCom (Honours) , BCA and Diploma in Technology(Polytechnic). The University has decided to introduce, MCom with Industry Practice 2016-17academic session. In addition, Civil engineering and Mining engineering branches will be offered in BTech and Diploma from 2016-17 academic year. Besides excellent infrastructure like well furnished class rooms, laboratories, workshops and library, IUJ has well qualified and experienced faculty members. Special features of IUJ programs include Contemporary curriculum, Summer Internships with industry, Live projects, Technology Enhanced Learning and Campus placement assistance. IUJ offers fee concessions to students domiciled in Jharkhand, besides merit scholarships to meritorious students.
