ICFAI University offers Courses in Mining to enhance employability of students

Dhanbad, May 18, 2016

ICFAI University Jharkhand today conducted Career Counseling session for students in and around Dhanbad. Addressing the students, Prof ORS Rao, Vice Chancellor of the University said, “Jharkhand is the largest mining state in the country and in order to make the local students employable in the mining industry, our University is offering B.Tech and Diploma in technology (Polytechnic) in Mining, beside other branches like civil, Computer Science, ECE and Mechanical”. Referring to the job opportunities in mining, Prof. Rao said, “In view of the recent policy initiatives taken by Government of India and Jharkhand in granting more mining licenses to PSU and private companies, there will be huge job opportunities for Diploma holders and Graduates in mining sector in the next 3-4 years”. “Latest curriculum, coupled with industry internship provide hands-on-skills to our students, as per industry requirements”, added Prof Rao.

The session was attended by a number of students, parents and University officials who included Dr. Sudipto Majumdar and Shailesh Kumar Singh.

About the ICFAI University Jharkhand: The ICFAI University, Jharkhand (IUJ) belongs to the ICFAI University Group (IUG), which pioneered Professional Education in India. IUJ was established under ICFAI University Act, 2006 (Jharkhand Act 08, 2007), which was passed by the State Legislature of Jharkhand and was notified by Government of Jharkhand on 17th June 2008. The University was empowered by UGC vide its letter dated 1st Dec2009 to award degrees under Section 22 of UGC Act, 1956. IUJ is committed to grooming its students into Competent Professionals, with Good Personal Values and Ethics.

IUJ offers a range of vocation oriented Under Graduate and Post Graduate programmes, which include, MBA, B Tech, BTech (Lateral entry) BBA , BCom (Honours) , BCA and Diploma in Technology(Polytechnic). The University has decided to introduce, MCom with Industry Practice 2016-17academic session. In addition, Civil engineering and Mining engineering branches will be offered in BTech and Diploma from 2016-17 academic year. Besides excellent infrastructure like well furnished class rooms, laboratories, workshops and library, IUJ has well qualified and experienced faculty members. Special features of IUJ programs include Contemporary curriculum, Summer Internships with industry, Live projects, Technology Enhanced Learning and Campus placement assistance. IUJ offers fee concessions to students domiciled in Jharkhand, besides merit scholarships to meritorious students.
