Induction Program for Newly Admitted Students inaugurated at ICFAI University

02nd Aug 2019

Ranchi

Today, Induction Program for Newly Admitted Students was inaugurated at Daladali campus of ICFAI University, Jharkhand. Besides the students, a number of their parents and guardians attended the function. Swami Sharddhanandaji from Yogoda Satsanga Society of India was the guest of honour.

Welcoming the students and parents, Prof O R S Rao, Vice-Chancellor of the University said, "We are committed to fulfill the career aspirations of the students that joined our University. In order to make our graduating students job-ready, we have updated our curriculum to Education 4.0, to be in line with Industry expectations. This involves inclusion of emerging technologies like Artificial Intelligence, Block Chain, Business Analytics, Financial Technologies etc in our curriculum, besides introducing technology enabled Learning Management Systems". "Besides, we introduced Career Development as a full semester activity-based course in the first semester of final year for all of our programs. We focus our efforts on Character Development of the students, as it is critical for their Career Success as well as Happiness. In order to make it interesting, we plan to use stories from Panch Tantra", added Prof Rao.

Addressing the audience, Swami Shraddhanandaji said, "Teachers should encourage students to ask questions and think critically so that they can learn themselves. Besides acquiring knowledge, students should focus on personality development and must know how to control their body and mind and focus their attention and energy on learning." Swamiji also gave tips to the parents on grooming children and inculcating good habits in them. He appreciated the efforts of the University in character building by way of inculcating personal values and ethics"

Some parents of the newly admitted students expressed their happiness with the systematic way; the students are inducted into the University and assured their co-operation to the University. Some old students of the University shared their experiences at the University and assured the newly admitted students their help and support to the students.

Explaining about the induction program, Prof Arvind Kumar, Registrar (in-charge) of the University said, "The purpose of the 2 week Induction program is to orient the students from a school environment to University environment and also make them think about their future careers and how to build required competencies to achieve their career aspirations. We seek the co-operation of all the parents in this process". Later, he proposed a vote of thanks.
