Industry Visit of ICFAI University students to Tata Steel Mines

B.Tech. and Diploma students of ICFAI University, accompanied by Prof Arvind Kumar, Associate Dean , Faculty of Science and Technology , Prof UK Sharma, HOD-Mining and the concerned Faculty Members visited Tata Steel Coal Mine at Ghatotand in West Bokaro.

Mr Mayank Shekhar, Chief of Quarry and Mr Amit Kumar, In-charge of High Wall Mining Operations from Tata Steel guided the students and explained to them about the Mine and its operations.

Briefing the students on the purpose of the visit, Prof Arvind Kumar said, "The objective of the industrial visit is to expose the students to the practical aspects of Mining and Mining equipment so that they can relate to what is taught in the University".

Highlighting the special features of the Mine, Mr Mayank Shekhar said , " This Quarry has the distinction of being the only one in Jharkhand using High Wall Mining Process ". Prior to that, Tata Steel officials explained to the students about the High Wall Mining process, its relevance for the production of steel, the material flow diagram etc. All the students & faculty members were also briefed about the safety requirements and were also provided with all the safety gears – helmets, safety boots, safety jackets etc..

All the students expressed happiness that they learnt a lot of practical aspects during the industry tour.

About the ICFAI University Jharkhand: The ICFAI University, Jharkhand (IUJ) belongs to the ICFAI University Group (IUG), which pioneered Professional Education in India. IUJ was established under ICFAI University Act, 2006 (Jharkhand Act 08, 2007), which was passed by the State Legislature of Jharkhand and was notified by Government of Jharkhand on 17th June 2008. The University was empowered by UGC vide its letter dated 1st Dec2009 to award degrees under Section 22 of UGC Act, 1956. IUJ is committed to grooming its students into Competent Professionals, with Good Personal Values and Ethics.
