

**The Institute of Chartered Financial Analysts of India University, Jharkhand**

**Press Release**

**Workshop on Outcomes Based Education conducted at ICFAI University**

**Ranchi, July 18, 2018.**

Today, a Workshop on Outcomes Based Education, the latest trend in higher education, was conducted for the faculty members at the ICFAI University, Jharkhand by Prof (Dr) GL Datta, former Dean, IIT, Kharagpur and former Vice-Chancellor of KL University. All faculty members of Management, Science and Technology, IT and Law attended the workshop.

Welcoming the participants to the workshop, Prof O R S Rao, Vice-Chancellor of the University said, "Outcomes Based Education is the need of the hour in Higher Education so that graduating students are enabled more employable in industry and more successful in their careers". "Objective of the workshop is to enable our faculty members to understand the principles of Outcomes Based Education so that Curricula and Pedagogy of our programs are better aligned with the changing requirements of the Industry and Society. This will in turn will help us to improve the quality of programs of our University", added Prof Rao.

Addressing the participants, Dr Datta highlighted that Outcome based Education signifies a paradigm shift in Higher Education by shifting the focus from Teaching to Learning, aligned with the career objectives of the students. Dr Datta also explained how program and course structures and curricula, academic delivery and assessments are to be aligned with the expected outcomes of the programs and also with the vision and mission of the University. Dr Datta also explained how program outcomes, course outcomes and session can be formulated and how the outcomes can be measured and corrective action take, as needed.

Dr BM Singh, Registrar of the University proposed a vote of thanks.
