## From the Editors'

Dear Readers,

We are very pleased to take this opportunity to wish our Vice-Chancellor Sir, Registrar Sir, our readers, members of the editorial team, all faculty members, the staff of the ICFAI University Jharkhand a very Happy New Year 2020.

This newsletter e-Palaash' mirrors the IU Jharkhand- its vision & mission and highlight events, activities, academic prowess and achievements.

In the last four months, series of events were conducted like cultural events, social outreach activities, sports events, Alumni get together, Career development, seminars workshops etc.

The University celebrated its first Convocation on 5th November 2019. This Convocation itself is proof of hard work, devotion to quality, dedicated work of our students, staff and faculty members. The University organized a 5 days' workshop on Artificial Intelligence which will transform our lives in the coming future.

The University also organized Legal program on Domestic Violence and Crime against Women/ Vulnerable Sections, Aptitude Competition, Thinkmania Competition, Constitutional law Competition etc for grooming our law graduating students.

As a regular practice of every year, on the eve of 8th N J Yyaswy Memorial lecture, to recognize and maintain values and ethics, the University facilitated faculties with awards of 'Institution Building ' and students were recognized with awards for 'Student with Values'.

The University promoted research-based education and conducted a workshop on ' Art of research writing' for the benefit of students and faculties.

We congrats our Ph.D. scholar Mr. Shakil Anwar Siddique for successfully defended his Ph.D. thesis. On the behalf of the ICFAI community, we congrats our faculty, Dr. Rajesh Kumar Prasad who made us proud by winning the 'Best Thesis Award'. This award was given at the 4th International Conference on Sustainable Energy and Environmental Challenges held at CSIR-NEERI, Nagpur.

Known for bringing good companies, our placement cell, successfully placed some of our meritorious students in reputed organizations we congrats students of BCA for getting selected as Developer at IB Arts Pvt. Ltd.

On behalf of the ICFAI Community, we are thankful for both Private a well as public sector organizations to visit our University campus for recruitment purposes, sharing experiences and delivering lectures to prepare and groom out students to become industry-fit.

Happy Reading!!!

Industry Visit of IUJ Students to Tata Steel Mines

[www.iujharkhand.edu.in](http://www.iujharkhand.edu.in)

Last four months, since the last print issue of Palaash in Aug 2019, have been hectic, with a lot of activities – academic, events (both professional and cultural) and achievements (both at the university level and individual student level).

During the Teachers' Day celebrations, Awards of recognition were given to teachers in various categories like Teaching-Learning, Research Publications, Institution Development, Student Activities etc.

Convocation of our University was held on 5th Nov. 2019, wherein Justice Sri. D.N. Upadhyay, Lokayukta of Jharkhand and Dr. K.K. Nag, Former Vice-Chancellor of Ranchi University and former Member, Board of Governors of the University were the guests of honour. 143 students graduated during 2019, which included 5 Ph.D.s, 38 Post-Graduates and 100 Graduates and Diploma holders. 16 students were awarded Gold and Silver medals, in recognition of their outstanding academic performance. About 50% of medal winners were women.

After the convocation, we held an Alumni Meet, which attracted a large number of alumni, particularly from out-locations. It was like a Family Reunion, wherein Alumni relived their memoirs, shared their experiences.

This year's N.J. Yasaswy memorial lecture was delivered by Padma Shri. Ashok Bhagat, who was given the special award of "Gram Vikas Ratna", in recognition of his services to the rural development. The function was preceded by a blood donation camp in association with Red Cross Society of India.

Our students continued to get awards of recognition from reputed Institutions like IIM, BIT for their multifarious talents.

We also continued to intensify our interface with Industry during the current year also. We signed an MOU of Industry-Academia Partnership with the German MNC, Bosch for Vocational Training. A number of guest lectures were conducted by senior managers from the industry.

Placement Season for 2020 has just commenced and the initial indications are that placements will be good, despite a more difficult Job Market. In order to build awareness among our students on the job market trends and career opportunities in the emerging Tech-enabled sectors like FinTech, Digital Marketing, AI etc. We started a weekly electronic newsletter, i-Nowkri, which has seen release of three issues so far. While all of our students are intelligent, they need to put in more concerted efforts to get selected in the highly competitive and demanding job markets.

In order to increase the frequency of Communication on Campus activities, we started a monthly e-Palaash since Sep 2019.

We plan to host a lot of events in the next few months, which include National Youth Festival, Seminar on Cyber Security and Data Privacy Laws in India, Industry Visits etc.

I wish all of you and your families, a Happy New Year and Season's Festival Greetings!

### Then why she always suffer...?

She is a daughter, sister and mother  
Then why she always suffer...?  
Why we differentiate between he and she  
God didn't then why do we..?

To girls we have to give support  
Give education to them as it works as passport...  
Now-a-days girls are competing in every field,  
In army, in airlines and in court...  
After getting education named wings,  
Their flight will land to a bright future .  
She may be doctor, scientist or a teacher..

'He' and 'She' they both have quality,  
They both have ability  
So we should prefer gender equity and equality...
