# The ICFAI Group

Pioneering professional education for over 35 years

ICFAI was established in 1984 as a not-for-profit society with the broad objective of empowering citizens through world class quality education. The Institute announced its arrival into the Indian education fora by launching a high end, innovative professional program in financial analysis in 1985. The Program was first-of-its-kind in India, aimed at equipping students and working professionals with cutting-edge knowledge in contemporary areas of finance. Since its establishment, ICFAI Group has made a significant mark in the Indian educational field with a pan-Indian network and presence.

Innovation has been the mainstay of ICFAI Group with innovation prevalent in its programs and even its culture. Subsequently, there was a big leap when ICFAI Group started its chain of business schools (IBS) across India in 1995 to offer management program. Since its inception, IBS has been consistently ranked among the top ranked B-Schools of India providing excellent academic delivery and infrastructure to its students and transforming them into leaders for the future.

Another example that is a testimony to the culture of innovation is the introduction of Case Study methodology at IBS. The Case Research Center at IBS has become a center of excellence and has won several accolades across the world.

ICFAI Group has 2 Strategic Institutional Units, the ICFAI Universities and the ICFAI Business Schools. In all the programs offered across these units, the emphasis is on adherence to academic rigor and differentiated curriculum that bridges the industry-academia gap.

ICFAI Group focuses on learning rather than instruction. In addition, the institute is engaged in important areas of research covering environmental sustainability, agricultural economics, health policy, financial economics, banking, intellectual property rights etc. There have been path-breaking research and good quality publications in these areas.

Flexible and tech enabled learning also plays an important role in ICFAI's teaching methodology. The delivery takes place with the use of hi-tech learning management system at campus programs and content delivery for distance learning through online medium.

ICFAI Group practices the value of academic integrity at all levels. As a policy, admissions are purely based on merit and there is nothing like capitation fee et al. The fee payable is published in the application material and that remains unchanged.

The ICFAI Group's culture of teaching and learning supports and fosters intellectual and personality development among its graduating students. They carry an attitude of ownership of their work. ICFAI Group strives to make the students - DOERS. The programs are designed such that the students & professionals graduating from the institution have the ability to take risks, make decisions and own the work. ICFAI Group system, strongly believes in developing an 'entrepreneurial mindset' among its graduating students.

At ICFAI, students inculcate research and analytical orientation due to its institutional strength and support for the research and development activities. Holistically, the student undergoes a transformative change.

The alumni of ICFAI Group are working in renowned companies world-wide. Collectively, ICFAI Group alumni contribute significantly to the growth story of India.

## Awards won by The ICFAI Group

*There is a symbiotic relationship between our University and our Alumni. In the last few years, our Alumni have been contributing to the development of their Alma Mater and its students by way of guest lectures, industry visits, internships, placements, career counseling etc. They also have been helping us to review our academic programs and curricula so that our graduating students are equipped to be job ready, in the changed and challenging times.*

It's an honour to be included in Reflections as an alumnus of IUJ's pioneer batch for Bachelors of Technology (Mechanical Engineering). Four years of learning at IUJ equated to several years of change and evolution. It felt like a full-circle journey in which I progressed from an average schoolboy to a promising corporate professional. College life meant a lot to me as an alumnus; it instilled in me a sense of camaraderie and left me with enduring memories. I miss my last bench batch companions, the classroom sessions I attended with them and the faculty who were so important to me during my time at IUJ. Just keep encouraging so that we can make our Alma Mater proud of our achievements.

## EXPERIENCE SHARING

### ABHINAV SINHA

(ALUMNUS)BBA, MBA2016-18

SPOC/Operations Executive, Extra Marks – Retail (Jharkhand & Odisha) From Sitting In Placements to Conducting Campus Placements.

I still remember the days when I used to Volunteer in my college's (ICFAI university Jharkhand) Campus drives, and 10 Feb 2022 is the day, I will always remember as I was in the same college but not as a volunteer or Student sitting in placement drive but as a Recruiter

The best part was the SMILE all around on my teacher's face, seeing my success. I couldn't be happier than this.

I am working as a SPOC, for Jharkhand and Odisha territory at Extramarks Education. My job is to look after all the operational activities in the respective territories. My suggestion for the aspiring candidates who want to make their career in sales would be that the Ed Tech companies are a good platform to start careers with. This industry has good growth potentials and promising future ahead.

Putting on your crown is really like accepting the fact that you are a queen. You're a great woman. Wherever you are in life, just keep on that path, and so for me, sometimes as women, we forge that about ourselves. So, putting on your crown is sort of reminding yourself that, hey, I'm a queen, and I can do what I want in this life and take it.

Poem by our Ph.D Alumnus

कल किसने देखा .....

अद्भुत, अनोखी जीवन की रेखा,  
जीवन की पगडंडियों पर कल किसने देखा,  
जीवन सुख-दुःख का अविरल घेरा,  
मानो सूर्योदय से सूर्यास्त का हो शाश्वत फेरा।

परिश्रम को मित्र बनाये या फिर स्वीकार करें भाग्य का लेखा,  
अनिश्चितताओं के भवंडर में कल किसने देखा,  
विषमताओं का तो लगा रहेगा आजीवन मेला,  
सकारात्मक प्रयासों से ही संभव है जीवन की सुखद बेला।

उत्कर्ष की ओर बढ़े कदम, सर्वोच्च न हो भाग्य की रेखा,  
हमारे प्रयास सदा अविरत रहे, आखिर कल किसने देखा।

आओ मिलकर होली मनायें

मन इंद्रधनुष के रंगों में रंग जायें,  
उमंग के तारों से आकाश भर जायें,  
चारों ओर खुशियां छा जायें,  
आओ मिलकर होली मनायें।

एक साथ मिलकर कदम बढ़ायें,  
अपनी मित्रता को अविरल बनायें,  
मिलकर सौहार्द की धारा बहायें,  
आओ मिलकर होली मनायें।

हम अपनी तीक्ष्णता को भूल जायें,  
अटूट विश्वास का निकेतन बनायें,  
हम सब मित्रता के रंग में रंग जायें,  
आओ मिलकर होली मनायें।
