## The ICFAI Group

### Pioneering professional education for over 35 years

ICFAI was established in 1984 as a not-for-profit society with the broad objective of empowering citizens through world class quality education. The Institute announced its arrival into the Indian education fora by launching a high end, innovative professional program in financial analysis in 1985. The Program was first-of-its-kind in India, aimed at equipping students and working professionals with cutting-edge knowledge in contemporary areas of finance. Since its establishment, ICFAI Group has made a significant mark in the Indian educational field with a pan-Indian network and presence.

Innovation has been the mainstay of ICFAI Group with innovation prevalent in its programs and even its culture. Subsequently, there was a big leap when ICFAI Group started its chain of business schools (IBS) across India in 1995 to offer management program. Since its inception, IBS has been consistently ranked among the top ranked B-Schools of India providing excellent academic delivery and infrastructure to its students and transforming them into leaders for the future.

Another example that is a testimony to the culture of innovation is the introduction of Case Study methodology at IBS. The Case Research Center at IBS has become a center of excellence and has won several accolades across the world.

ICFAI Group has 2 Strategic Institutional Units, the ICFAI Universities and the ICFAI Business Schools. In all the programs offered across these units, the emphasis is on adherence to academic rigor and differentiated curriculum that bridges the industry-academia gap.

ICFAI Group focuses on learning rather than instruction. In addition, the institute is engaged in important areas of research covering environmental sustainability, agricultural economics, health policy, financial economics, banking, intellectual property rights etc. There have been path-breaking research and good quality publications in these areas.

Flexible and tech enabled learning also plays an important role in ICFAI's teaching methodology. The delivery takes place with the use of hi-tech learning management system at campus programs and content delivery for distance learning through online medium.

ICFAI Group practices the value of academic integrity at all levels. As a policy, admissions are purely based on merit and there is nothing like capitation fee et al. The fee payable is published in the application material and that remains unchanged.

The ICFAI Group's culture of teaching and learning supports and fosters intellectual and personality development among its graduating students. They carry an attitude of ownership of their work. ICFAI Group strives to make the students - DOERS. The programs are designed such that the students & professionals graduating from the institution have the ability to take risks, make decisions and own the work. ICFAI Group system, strongly believes in developing an 'entrepreneurial mindset' among its graduating students.

At ICFAI, students inculcate research and analytical orientation due to its institutional strength and support for the research and development activities. Holistically, the student undergoes a transformative change.

The alumni of ICFAI Group are working in renowned companies world-wide. Collectively, ICFAI Group alumni contribute significantly to the growth story of India.

## Message from The Vice Chancellor

Prof. O R S Rao  
Vice Chancellor

I am happy to note that IUJ Alumni, spread across the world, have been doing very well professionally and contributing yeoman service not only to the Industry but also to the Society.

As per our recent survey, about 11% of IUJ Alumni have turned Entrepreneurs and have become “Job Givers” rather than “Job Seekers”. They set up their own ventures in areas like agri-business, school education, financial services, event management, infrastructure, manufacturing, e-business, NGOs etc. We are proud that one of our BCA Alumni chose to become a Village Mukhiya in Jharkhand and is helping to transform Rural India.

Besides, a number of our Alumni have been helping their Alma Mater to strengthen our University’s relationship with the Industry, by way of guest lectures, career counseling, Summer Internships and Campus Placements to our students.

The symbiotic relationship between our Alumni and our University can grow much further only through more continuous interaction. While Alumni Meets (Physical as well as Online) have been helping in this direction, the Alumni Newsletter, ALUMNEST is enabling effective dissemination of updates on Alumni and their achievement to the entire IUJ Alumni Family.

In this context, I appreciate the efforts of our University and our Alumni Representatives to bring out the second issue of ALUMNEST, on the eve of our next Alumni Meet – “ANUSMARAN- 2022” to “Reconnect, Reminisce and Relive Fond Memories...”

I wish each and every one of our Alumni, Professional Success in their Endeavors and Happiness in their Personal Lives. I assure you that your Alma Mater is just a call away, in case you need any help, anytime...

Vice-Chancellor

### **Dear Alumni**

A university is known by its Alumni. They are truly the Brand Ambassadors of the university and the university values its relationship with them.

In order to have continuous communication with its alumni the university has formed an Alumni Cell which has taken an initiative to come out with a magazine “ALUMNEST” in which apart from the university updates, the Alumni can also contribute to make it an up-to-date reference document for all. Moreover, Alumni can also contribute their articles, poems etc to make it more interesting. Any suggestions for improvement in the magazine will be appreciated.

ASSISTANT PROFESSOR,  
IUJ

*On behalf of the ICFAI Family, we from the editor's platform take immense pleasure in the release of the IUJ Alumni newsletter "ALUMNEST", Volume I, Issue 2. There is nothing in this world like life-long friends be it personal or from the University's association, the bond and experience stays with the alumni. The contribution from our alumni is a never ending story, particularly for their support to our existing students as they are the pillars of support who enables our students with inspiration and motivation. The struggles and the success of our alumni both caters to the need of learning and nurturing a faith in oneself and to stay connected with the University that plays a major role to give chance to rediscover one's skills as an individual along with, to share the experience of professional crests and troughs with the peers too. We hope that the reading of this newsletter will have an impact on and encourage one and all to be a part of this great academia. We may never know how much our words or actions influence the lives of those around us but through our newsletter we choose to be an entity of sending positive vibes to our readers and associate with our alumni, so that the legacy of relationship continues*

आजादी के 75 साल बाद भी पंदनवाटांड के लोग हैं बिजली से अनजान

## आजादी का अमृत महोत्सव कैसे मनायेंगे ग्रामीण: मुखिया

पिन्टू कुशवाहा दिनकर

बड़कागांव (आजाद सिपाही)। देश के आजादी के 75 वर्ष होने के बावजूद आज भी बड़कागांव प्रखंड का चेपाकला पंचायत का पंदनवाटांड गांव के ग्रामीण आज भी बिजली नाम से अनजान हैं। अभी सभी पंचायतों में आजादी के अमृत महोत्सव मनाने का कार्य जोरों शोरों पर किया जा रहा है परंतु पंदनवा टांड के ग्रामीण कैसे अपने आजादी का अमृत महोत्सव मनाया। सही मायने में तो उनको अभी तक आजादी नहीं मिल पाई है। पंचायत के नवनिर्वाचित युवा मुखिया अनिकेत कुमार नायक ने कहा कि पंदनवा टांड में पंचायत चुनाव से पहले आनन-फानन में अभी बिजली पोल गिराया गया था।

और वहां के ग्रामीणों को बिजली आने की आस जगाई गई थी परंतु पोल के गिराए हुए लगभग 2 महीने से भी अधिक समय बीत चुका है परंतु आगे का कार्य कुछ भी नहीं हुआ है। बिजली के पोल बस शोभा की वस्तु बने हुए हैं। आगे उन्होंने कहा कि हम कैसे आजादी का अमृत महोत्सव मनाए जबकि सही मायने में अभी तक जमीनी स्तर पर काम हुआ

ही नहीं है ऐसा प्रतीत होता है कि जैसे हमारे पंचायत के ग्रामीण को आज तक सिर्फ टगने का काम किया गया है। आगे उन्होंने बिजली विभाग और सरकार से मांग किया है कि हमारे पंचायत के पंदनवाटांड गांव में जल्द से जल्द बिजली पहुंचाई जाये तब जाके सही मायने में आजादी के अमृत महोत्सव मनने में गर्व होगा।

## बीसीए पास मुखिया करेंगे बनस पूजा 15 को 30 फीट ऊंचे लहे में झूलेंगे

भास्कर न्यूज | बड़कागांव

पंचायत चुनाव के लिए कई प्रत्याशी अपने इष्ट देवी देवताओं से चुनाव जीतने के लिए मन्त्र मांगी थी, जिसमें कई लोगों को सफलता मिली तो कई लोग नाकाम हुए। इन्हीं में एक हैं चेपाकला पंचायत के मुखिया 25 वर्षीय अनिकेत कुमार नायक। ये बीसीए पास हैं। पंचायत चुनाव में अपनी जीत के लिए इन्होंने भी भगवान शिव से मन्त्र मांगी थी कि चुनाव जीतने के बाद मंडा बनस पूजा में भक्त के रूप में शामिल होंगे एवं पूजा पाठ के दौरान 30 फीट ऊंचे लहे से परिक्रमा कर भगवान शिव को अपनी पूजा समर्पित करेंगे। मुखिया अनिकेत नायक ने बताया कि 14 जून की रात को फुलकुंदी (दहकते अंगारों पर चलना) यानी कि भक्तों के द्वारा नंगे गांव दहकते अंगारों में चलना

झूलन कार्य निर्धारित किया गया है। मंडा पूजा में मेले का भी आयोजन किया गया है। नवनिर्वाचित मुखिया अनिकेत नायक ने कहा कि भगवान शिव पर गहन आस्था है। मंडा पर्व में शिव और पार्वती की ही आराधना होती है। 30 फीट ऊंचे लहे से झूलने के पहले कई कठिन भक्ति का परिचय देना होता है। आस्था और विश्वास के साथ मंडा पर्व में भाग लेने मात्र से ही

## THE LITTLE’’ HEART BEAT ’AND TOOTHLESS SMILES-----ADDED RAINBOW TO MY LIFE’

Just wondering, as a woman which journey is more enjoyable? Struggle or a platform for permanent happiness? Well I think all phases since childhood-student-wife and last not the least a promotional journey towards motherhood -----in fact I would say it is the birth of the mother herself. Having a bundle of joy on the lap is an act of creation, a catalyst that opens new possibilities for intimate connections in a women’s closet, relationship with her partner, siblings and family. For me too becoming a mother was not only exciting but also having to associate with physical pain----the pain which every mother wants to enjoy .The year 2020, came to me as a surprise with mixed emotions, I became the much awaited moment----a mother of a beautiful twinkling eyed daughter and I just did not know how to cuddle her in my arms, lest she falls. Her smiles and toothless giggles gave me an inner pride of a new accomplishment to see the little pieces of myself in ‘her’ and probably thinking ---did the same feelings occur to my mother when I was on her lap too? Yes obviously, it was .The funniest part which I felt was that, the common feelings of desire for a wife completely changed into things which were never thought of before .From fancy dresses of a lady molded into soft toys and diapers to keep the baby dry. What a transformation adding flavor of a thrill. The toothless smiles from the little angel is a never ending joy but only to realize the duties of a new born ‘mother’ and the ardent hard task that my mother went through when I was a baby too. Therefore, being a mother is probably learning about strengths I did not know I had, and dealing with fears that never existed.

 Transforming Problems into Solutions

I am elated to state that as I had enjoyed the academic benefits of this esteemed university as a student till my journey ended as an entrepreneur because my hobby turned into a career that I had already chosen for myself .But, this was not the end in itself, what was more exciting was to guide four of our own students in my company “Crypto Tech Solutions” and this also added to my experience in teaching & guidance to students as a part of their “Summer Internship Program”. This platform helped both the entities to create entrepreneurial skills in the future, for the students and projected how SIP becomes an important facet in one’s career.”I also felt that this SIP incorporates as an essential part of the practical training as well as short-term programs, because internships offer a wide range of advantages for those aiming to gain real-world exposure in their respective field of interest. A lot many things impart in personal development, and also prepare the students in their respective field of interest. But, overall I too enjoyed being a part of the process of a new trainer in this programme as a whole.

डगर ये अब भी तेरे शहर को ही जाता है क्या,

मेरे ख्वाबों में जो बस्ती थी बसती,

अभी भी उस मोड़ पर वो बस्ती आता है क्या?

धराकर बेड़िया अरमानों का इसकदर भगाया,

हालात ये मेरा कुछ जल्द ही मुझे सयाना बनाया।

शहर में मुर्दे रहते हैं अक्सर मुस्कान ओढ़े,

चुभाकर खंजरो को खुद ही हकीम बनते।

बज़ारों में अदब के हो रहे अल्फ़ाज़ महंगे,

लबों पे खामखां लोगों के एक रहता तराना

अभी भी मांग में है वही "सोरी" पुराना।

दौड़ते हांफते ये शहर के रफ़्तार को देख

दबी आवाज़ में गाँवों के बीच चर्चा चली है।

चलो ये भागा-भागी का अब हम भी खेल रखते,

देखे, सुकून गिरवी रखने का इनाम क्या है??

## VIRTUAL ALUMNI MEET ON 26.06.2022

*We all can agree that socializing has suffered significantly as a result of the widespread outbreak. Surprisingly, alumni and students who have been isolated for a while may find comfort in the virtual events for alumni.*

*Alumni disperse all over the world after earning their degrees or getting their desired jobs.*

*It is challenging for graduates to return to their alma institution to attend a function.*

*Distance shouldn't be a barrier either, just like language shouldn't be.*

*The concept of holding an online event makes sense in this situation. Even after the pandemic has passed, we are speculating about the possibilities of planning hybrid university alumni virtual events. In this approach, alumni who live in distant regions can easily attend the meet ups. "ANUSMARAN", The IUJ Alumni Meet 2022 was 'conducted at ICFAI University through Video Conferencing, wherein Alumni from various locations in India and abroad participated enthusiastically. Besides a cultural program, which included songs and dances by the Alumni, the alumni shared their fond memories of their student life and their career journey and gave insightful advice to the students on career opportunities and the skills to be cultivated. Alumni-Entrepreneurs shared their entrepreneurial journey and the challenges faced, therein. All the alumni expressed their gratitude to the University and its faculty members for the quality of teaching and personal care that was taken by them, which laid the foundation and groomed even average students into competent professionals. Panel discussions were held on areas of collaboration, which included Industry-Academia Partnership, Internships, Placements and Social Outreach.*
