CONTENTS

Message from the Vice Chancellor

His Excellency Honorable Governor, State of Jharkhand, Sri. K. C. Radhakrishnan Sir!

With great pleasure, I, on behalf of The Institute of Chartered Financial Analysts of India (ICFAI) University, Jharkhand, take the opportunity to present to you, the 13th Annual report for 2023-24.

We have successfully been running our UG, PG and PhD programs leading to several academic publications and striving to make our mark in students' lives by inculcating self-discipline, culture and professionalism with values. We lay stress on all-round development of students, on Sports, cultural events, literary activities, intra-school and inter-University competitions, conferences, workshops, Industry visits, expert lectures etc. We have contributed our significant part to all national missions including Unnat Bharat Abhiyaan (UBA), Institutional Innovation Cell (IIC), Vidya Daan scheme for rural children under CSR initiatives, books donations etc. We have consciously aligned ourselves with the National Education Policy 2020 and all its derivatives and initiatives within the framework of UGC, NHQEF and Technology mission as per Industry 4.0, and have diligently implemented aspects of these through our curriculum design and development. We have had tie-ups with many Industries for summer Internship programs (SIP,) compulsory for all our students along with full placement assistance and possibilities of Higher education in our PG and PhD programs.
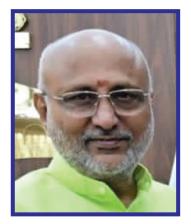

We expect all our students and faculty to start involving in PEARL scheme of Research where each faculty is allotted some students during full program of 2/3/4 years during which he will be guided for Research, Awareness programs, paper publications, live project guidance, and enabling few start-ups or entrepreneurial activities as they graduate. We are starting with our separate "Outreach & Knowledge Sharing Centre for technology up gradation and Career Orientation (OKSC for TU & CO)". We have a good track record of conducting timely all statutory meetings as per the provisions of our Act and statute. The report enclosed is a testimony of all activities of our University in brief for the academic session 2022-23. We are fortunate to have received all Government support and all our endevours are geared up to grow the GER, Education at all levels, Entrepreneurship development, improving employability, generating avenues for industry interaction and being tuned with Govt. policies and norms.

It is my pleasure and privilege to extend a heartfelt thanks to all members of the ICFAI group Governing Body, Board of Management, Academic Council and all officials and faculty members of our University and present the annual report for 2023-24.

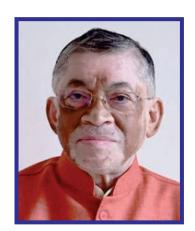

Seeking your continued blessings

5. Accreditations & Alliances

- The University is empowered to award degrees under Section 22 of the UGC Act, 1956.
- The University received approval from Bar Council of India to offer LL.B, Integrated BA-LLB (Hons) & BBA-LL.B (Hons.) programs
- The University was allowed by NPTEL to start Local Chapter
- The University has established Institution Innovation Council (IIC) as per the norms of Innovation Cell, Ministry of HRD, Govt. of India
- The University registered with National Digital Library/ Delnet Membership to provide access of digital resources to its students and faculty members.
- The University has adopted five villages in the neighbourhood of the University campus (Simaliya, Gutua, Daladali, Pundag and Tilta)under the Unnat Bharat Scheme of Ministry of HRD, Govt. of India
- The University has adopted NSS cell at the University
- The University established "Rotaract Club – ICFAI University Jharkhand"

MOU

The University signed MOU with

- The University signed MOU on 5th September 2023 with Ranchi University for Academic Exchange (Student, Faculties, and Researchers) Research Collaboration.
- The University signed MOU on 5th September 2023 with M/S Harmu Hospital for Hospital Assistance for the Students, Faculties, staff & family members of the ICFAI University. Jharkhand without any financial obligation to the University.
- The University signed MOU on 11th March 2024 with Infosys Spring Board for Student internship, Placement assistance, Training, Various Certification Program etc... without any financial obligation to the ICFAI University
- The University signed MOU on 14th March 2024 with Jharkhand Government Tool Room for internship, Placement assistance through CAD/ CAM, Training, Various Certification Program and to help in setup one 3D printing Lab at ICFAI University without any financial obligation from the University for Students and Faculties.

6. Infrastructure

1. Academic Infrastructure

i. **Campus:** The University has a self-contained Campus, with Class-rooms, Labs and Workshops, Library, Auditorium etc., in the premises at Daladali, Ranchi. Besides, University has an Admissions Office at main road Ranchi

ii. **Classrooms:** The University has well-furnished class rooms with LCD projectors and facility for video lectures.

iii. **Library Facilities:** The library has over 42,000 text books, over 100 periodicals / Magazines/Journals and Video CDs. The University also have subscription of various e-journals and also has good collection of e-books. Students have access to the finest collection of contemporary books, journals and digital library, which supplement the prescribed reference books and textbooks, providing students an opportunity to gain contemporary knowledge in all relevant disciplines going well beyond the classroom-based program.

iv **Computer Facilities:** The University has seven IT labs, with the latest hardware, networking and software infrastructure to cater to the academic computing needs of all the students and the faculty members

Moot Court:

The University has setup a Moot Court which simulates a real-life court environment, so that students of law programs are imparted Clinical Legal Training.

Legal Services Clinic:

The Legal Services Clinic of The ICFAI University Jharkhand has been effectively functional from 26th November 2018 under the guidance of the Office of District Legal Services Authority, Ranchi. The Legal Services Clinic conducted various Legal Awareness program through Legal Literacy Camp, Nukkad Natak on various social and legal issues and counselling sessions.

Laboratories and Workshops

The University has well equipped Workshops & Laboratories for the Engineering students at Faculty of Science & Technology.

a) **Electronics Lab**: Provides experimental facilities required for the Measurement Techniques course of the B.Tech program. The major equipment include:

Educational Leadership Meet conducted by on the theme of Industry Academia

b) **Microprocessor Lab:** Provides experimental facilities required for Measurement Techniques course of B.Tech Program.

3) Higher Education Facilitation Cell: This cell has been set up to counsel the students at the University in their efforts to plan and prepare for higher studies (in India/overseas) after completion of the current Academic Program

4) Corporate Relations and Placements Cell: It was set up to build and nurture relationships with various companies across the country. This cell arranges for guest lectures, industry visits, summer internships, skill development programs and campus placements for the students. This cell also offers career counseling to the students of the University.

5) Other Infrastructure

a. **Canteen**: to provide refreshments and food for students and staff.

b. **Health Centre**: to provide first aid in case of any emergencies.

c. **Recreational Facilities**: include students common room, indoor games and outdoor games.

d. **Auditorium**: to organize seminars, conferences and other events.

e. **Video Conferencing Facility**: to facilitate meetings, guest lectures and placement interviews from remote locations.

f. **Wi-fi Facility**: to provide Internet access to all the students in the campus.

g. **Biometric Facility**: to capture attendance of students online.

h. **TV & Dish Antenna**: to access Swayam Prabha DTH channels to view academic programs.

i. **CCTVs**: for surveillance and security of the infrastructure and facilities.

j. **Point of Sale Terminals**: to facilitate payment of fee, digitally, by the students.

6) Other Information

Governor asks students to use education for betterment of society

196 students get degrees in 4th Convocation of ICFAI University

PNS | RANCHI

Governor C.P. Radhakrishnan today asked students to use their education not only for personal advancement but also for the betterment of society. The Governor, while addressing the convocation ceremony of ICFAI University, Ranchi, held on Wednesday at Aryabhatta Auditorium, Ranchi, said that this ceremony is not only a symbol of the academic achievements of our degree holders but also marks the beginning of a new chapter in their lives. See challenges in life like opportunities and try to move forward. He also asked the degree holder to face various challenges in life with enthusiasm. He said that both success and failure will come in life. If you want to be successful then you have to face failure boldly.

The Governor said that we should move forward in life with positive thinking. Work with team spirit. Look at the goodness of others and try to incorporate it in your
