S/No.	Aspect	Details
01	Company Name	Rubrik India Private Limited
02	Short brief on the Company	<p>Rubrik, the Zero Trust Data Security Company™, delivers data security and operational resilience for enterprises. Rubrik's big idea is to provide data security and data protection on a single platform, including Zero Trust Data Protection, Ransomware Investigation, Incident Containment, Sensitive Data Discovery, and Orchestrated Application Recovery. This means your data is ready so you can recover the data you need, and avoid paying a ransom. Because when you secure your data, you secure your applications, and you secure your business.</p> <p>We are a leader in data security, have been recognized as a Forbes Cloud 100 Company, named as a LinkedIn Top 10 Startup and are proud to have earned Great Place to Work® Certification™. There has never been a more exciting time to join Rubrik, and our future is even brighter. The work you do will help propel our next chapter of growth as you do the best work of your career.</p>
